Support from top management can make your job easier and your campaign more successful.

2

RECRUIT A TEAM

Having others assist you with the campaign will make it fun and much easier for everyone involved.

3

DEVELOP A CAMPAIGN PLAN

4

ORGANIZE A LEADERSHIP GIVING PROGRAM

Leadership givers demonstrate their involvement and commitment with an annual gift of \$1,000+.

5

Educating your colleagues about the value of United Way's work is the best way to gain support for the campaign. Your UW representative can provide you with any materials or assistance you need.

6

A kick-off rally can infuse fun into your campaign and help employees understand the importance of participation.

10

CELEBRATE!

Everyone likes to be appreciated and acknowledged for their contribution. Plan a way to say "thank you" by email or via a special event!

LEADERSHIP GIVING

Leadership giving is designed to encourage and recognize individuals who give \$1,000+ to the annual community campaign. Conducting a leadership giving campaign is one of the best ways to increase the impact and success of your company's campaign. Leadership giving allows your employees to make a meaningful difference and sets your organization apart as a pacesetter in our community.

GAIN CEO LEADERSHIP & SUPPORT:

- Ask the CEO to appoint a well-respected member of senior management who is already giving at the Leadership level to lead your company's Leadership participation.
- Engage your CEO and senior management in leading, implementing and executing Leadership giving.
- Meet with your management staff to help them understand the importance of Leadership giving.

DEVELOP YOUR STRATEGY:

- Develop a plan for meeting with potential donors. Determine what would be most appropriate for your organization.
- Set goals for Leadership giving, i.e., increase number of Leadership donors and increase per capita giving.
- Make one-on-one requests of current and prospective Leadership donors.
- Secure Leadership gifts early by holding a Leadership drive prior to the company-wide kick-off. This allows company leaders to set the pace for the campaign and lead by example.

ASK:

- Invite your United Way representative to attend the event and share.
- The CEO/Plant Manager/Principal should be present at the Leadership kick-off and ask colleagues for their personal contributions.
- Promote Leadership giving throughout your employee campaign.

THANK ALL LEADERSHIP GIVERS:

- The CEO and Leadership Giving Chair should send a personal "thank you" to all Leadership givers.
- All Leadership donors should be recognized in order to encourage others.

LEADERSHIP GIVING
\$500 - \$999

PILLAR SOCIETY
\$1,000 - \$9,999

ALEXIS DE TOCQUEVILLE SOCIETY
\$10,000+

PROMOTE YOUR CAMPAIGN

Creating a buzz can be fun and easy! United Way can help provide swag and incentives to bolster your campaign. Following are a few simple and easy-to-execute ideas to get you started.

UNITED WAY SWAG

Let United Way load you up with swag! Campaign staff, volunteers and other supporters love to wear United Way swag, but don't stop there. You can get creative and dress a statue or mannequin in a t-shirt and put it on display. You can even offer t-shirts as incentives for new or increased givers ... the options are endless!

WHAT'S YOUR SIGN?

Display LIVE UNITED or use your company name (<COMPANY> LIVES UNITED) on electronic signboards, marquees, bulletin boards, and other high visibility areas within your building(s).

CONDUCT A CONTEST

Encourage a little friendly competition to see which department can raise the most money or have the most participation.

INCENTIVES

Does your company offer days off for certain giving levels? Have company credit card points that can be used to purchase tickets to Dollywood, etc.?

DRESS DOWN DAYS

Universally popular, dress down days are a quick and easy way to encourage participation! Employees can wear jeans to work if they give at a certain level (determined by your internal campaign team). Stickers to indicate participation be can provided by United Way.

DOCUMENT IT!

Create videos starring yourself or your colleagues speaking about Living United. Talk about why you give and encourage others to get involved. Have fun with it! Take pictures and share them to social media or on your internal messaging networks. Be sure to tag UWOR at @unitedwaycooe.

THANK YOU-GRAM

Send a LIVE UNITED "thank you" to all people who helped to make plan or execute the campaign!

KEY POINTS FOR SPEAKERS

OPENING REMARKS

This can be customized to meet the needs of your speaker(s) at your campaign kick-off.

Welcome, everyone!

Thank you for being here today. Before we begin, I would like to welcome **(introduce UW representative)** from our local United Way.

As many of you know, I am a strong believer and advocate of United Way's work and I am proud to be a part of **<COMPANY'S>** United Way campaign. With nearly a century's worth of experience and guidance, United Way enables people like you and me to make a valuable, lasting impact on the lives of our neighbors and our community.

We all know poverty is hurting our community and this is even more evident since battling a global pandemic and economic hardships. Our most vulnerable community members are even more at risk.

As such, United Way has seen the need for community services skyrocket. United Way's resource hotline, Ocoee Connect, had calls and needs quadruple since its inception in 2020 - many from people who had never sought assistance before. United Way was able to respond to those needs, keeping families housed and lights on for hundreds of families right here in our community.

The issues we have seen first hand over the last year are not new, but have affected people in our community who traditionally don't find themselves in a place of need.

The effects will continue to be felt as people navigate what life looks like in the current climate, and that's why we partner with United Way as they continue to identify and address our community's most critical needs and find solutions for people and families who need support.

I want to take a moment to recognize and thank each and every one of you who have stepped up to support United Way. Our collective commitment demonstrates **<COMPANY'S>** leadership in our community, raising over **\$1.5 million** for United Way and community needs last year.

Key point about last year's campaign (your UW representative can help provide information if needed)

If the speaker has a personal story about United Way or something they have experienced, add here.

Thank you again for your personal leadership and generosity in giving to support United Way and what they are doing in our community.

Introduce the next section of the event <UW speaker, event, etc.>
